About This Game

Ultimate Panic Flight is an endless flying game with extreme action. Flying further, avoiding obstacles and beat other players' score are the challenges proposed by this fun and addictive arcade game of great cartoon design.

So no more running, it's time to fly!

Features:

- Cartoon style graphics
- 3 game modes (academy, missions and endless flight)
- 11 planes to master
- 47 equipments to tune the piloting
- 32 trips to discover
- 17 portraits as avatar
- 98 quests to complete

-
- 99 leaderboards
 - play against friends during endless flight
 - many rewards : cups, medals, planes, ...

The planes' control is simple, but it also requires to show dexterity to master the loops and turns to 180°. Besides, many dangers await you: skyjackers, UFOs, lightning and dark clouds that seem alive, no less!

Watch your fuel gauge, pick up the coins and bonuses, collect trophies, upgrade your planes, achieve quests, post your successes and compete with friends and rest of the world are amongst all possibilities of this game of great design!
